# UMdrive

Welcome. You are using the Xythos WFS Web Interface. You are not currently logged in.

UMdrive is a web-based file sharing service. Through UMdrive, you can access your files 24 hours per day, seven days a week. The University hopes that you enjoy your personal place to store papers, assignments, projects, and other files.

Use your PostOffice username and password to access UMdrive. If you are unsure of your PostOffice username and password, you can contact the IS HelpDesk at 678-8888.

For more information about UMdrive, click the links below:

# Benefits

- Eliminate need for data media.
- Easy point-of-entry for faculty to post content online. (e.g., entire colleges have eliminated paper distribution of syllabi.)
- Great place for class content collaboration.
- Single most successful academic technology initiative on campus. (Extremely high adoption rate)
